## Bridge Songs 2015 Call for Submissions

*Can a work of art ever be perfect, or is perfection a fiction?*

**Musicians, artists and writers are invited to submit original works for *Bridge Songs: Perfict*.**

*Bridge Songs*, an annual event in its ninth year, combines live music, poetry, spoken word and art around a central theme. Songs are also recorded and released as an album. *Bridge Songs: PERFICT* takes place Saturday, June 13, 2015 on Alberta Avenue. It is produced by *The Bleeding Heart Art Space* (bleedingheartartspace.com)

This year's theme, *PERFICT*, asks artists to explore our striving for perfection. Artists may examine the effects of that pursuit, and whether perfection is attainable. Artists may also explore the idea of societal utopias and personal perfection.

We are seeking visual art in all forms for the gallery, songs for the album and performance, and written work, short films and performance pieces for our evening show.

*Song submissions are due **January 31**.*

*Artwork, films and written submissions are due **April 19**.*
